Results of Evaluation for the Call for Proposals for Implementing Agency for a Multi-Program Aimed at Promoting European Fodder in Japan, Vietnam, Taiwan, and Indonesia

We are pleased to announce that EIBENS has been awarded the contract for the Call for Proposals for an implementing agency for a multi-program aimed at promoting European fodder in Japan, Vietnam, Taiwan, and Indonesia from 2024 to 2026. The three received proposals were evaluated based on predetermined selection criteria, and EIBENS was awarded a score of 92.5 points from the evaluation, reflecting the high quality of their submission. We thank all agencies for their participation in the call for proposals.
